Shaw Cemetery, Windsor, Mass.

The Shaw cemetery in Windsor is located near the summer home of Atty. LeRoy E. Shaw. It is enclosed by stone walls, and is in very good condition, and burials are made here.

The best way to reach this cemetery is to leave Route 9 about two miles east of the estate of Col. A. D. Budd; take the left-hand road across what is known as "Polly" bridge, and up the hill. The cemetery is located approximately one and one-half miles up this road. It is a hilly country road, and should not be undertaken in wet weather.

Windsor Bush Cemetery

This cemetery is located in the "Bush" section of Windsor. Burials are still made here, but mostly in family lots, as few new lots have been taken in recent years.

To reach this cemetery leave Route 9 at the Paper Mill Village in West Cummington; take the left-hand road, and about one and one-half miles further take right. The cemetery is located about a mile up this road, just past the summer camp "Windigo". It is a hilly country road, and should not be traveled except in dry weather.
